

Seattle Waterfront Advisory Team

December 13, 2004, 3:00 to 5:00 pm
Seattle Municipal Tower, room 4080
700 Fifth Avenue

Proposed Agenda

1. Introductions (3 p.m, 5 minutes)
2. Functions desired on Central Waterfront (3:05 p.m., 60 minutes)

Continuation of the discussion at the October 27 WAT meeting. At that meeting, staff asked the WAT members to consider possible projects and other proposals that would integrate the following functional themes at locations along the Central Waterfront:

- *History and Heritage*
- *Nature and Connections*
- *Education and Work*
- *Transportation*
- *Views*
- *Gathering Places and Recreation*

Guillermo Romano will present some examples of integrating functional themes and then facilitate a discussion of WAT members' ideas for integrating themes.

1. *WAT discussion and questions*
2. *Comments by guests (members of the public)*

3. Implementation Mechanisms (4:05 p.m., 55 minutes)

The Waterfront Interdepartmental Team has met twice to discuss implementation mechanisms for the Central Waterfront Plan. John Rahaim will summarize the IDT discussion and then ask the WAT to respond to the IDT work as well as suggest additional mechanisms.

1. *WAT discussion and questions*
2. *Comments by guests (members of the public)*

4. Adjourn
